Question 8 on Parajumbles – Se

- A. "The story of an old man reinforced his wish to retire and make his coming post-retirement years adventurous and worth", said the Oscar-winner, who had had a bright and varied career as an actor, producer and director.
- B. The 81-year-old star had promised in 2016 that he would give up acting and now he has kept his words.
- C. Veteran Hollywood star Robert Redford is retiring from acting, and his "The Old Man & The Gun" would be his final film.
- D. Redford mentioned in an interview with Entertainment Weekly that whatever he has been doing was enough and he wanted to go out to the real world and do something memorable and positive.
- E. Since he was 21 Redford has been acting, and he wanted to go on and on, but suddenly he decided that 'this would be it for me' regarding acting and he took the plunge.

By studying efficiently and strategically, you can get college credit and add that special AP-credit sparkle to your transcripts. You're clearly a clever and motivated person — after all, you're reading this Crash Course study guide. Good news: You don't have to know everything from the beginnings of humans to the early twenty-first century to do well on the AP World History exam. Counting and writing systems began in cities as a means of keeping records of stored food and other goods. The classic definition of "civilization" means "a city" and these early civilizations also built the first buildings made of stone or brick, and placed them together to form the villages, which developed into cities. See details below.2. Neolithic Revolutions First in the Middle East around 8000 BCE and later in other regions (see River Valley Civilizations), hunter-foragers settled in areas with a steady water supply and good soil, planted seeds in the ground on purpose — agriculture — and lived in permanent buildings in villages. The very survival of hunting-foraging bands depended on finding adequate food supplies from wild game and plants. 28 Terms. One example of a pastoral group that is still functioning in the twenty-first century are the Mongols of East Asia.5. Urbanization Small villages in River Valley Civilizations often grew into larger cities, and those cities became important centers of government, trade, and religion. He established clearly defined codes of behavior, and gender and family duties. A very important example of a written early law code was the Code of Hammurabi, from Babylon, about 1750 BCE. Plague 4. (Continues...) Excerpted from "AP World History Crash Course" by . Buddhism spread far from its origins in South Asia into Southeast and East Asia along trade routes.12. Urban areas saw the development of specialization of jobs, such as scribes or merchants; social levels, such as elites and slaves; and gender roles, such as expectations that men would usually be government leaders and members of the military and women would usually engage in domestic functions like cooking, sewing, and child-rearing. 4. 600 BCE!1. What decision led to the decline of the Roman legions? Silk Road 3. Stay up-to-date by checking college AP policies on their websites.5. Know How AP

World History Is Different from Traditional World History You might think that history is history, but AP World History is different from traditional approaches: Learning lists of "Kings and Wars" or "The West and the Rest" doesn't cut it.
